PRODUCT DESCRIPTION

Smart lighting allows you to control ambiance and comfort, while providing energy savings and security. Control EarthBulb Smart LED with your iOS or Android phone or device, or voice control them with Amazon Alexa or Hey Google. EarthBulb Smart LED is powered by the Tuya app available for download on Google Play or the App Store. Easily control any color of white light from 2200K soft, warm light to 6500K crisp, daylight. The RGB, Red – Blue – Green, function allows you to create infinite colors as well. This Smart LED can also be grouped with others and controlled by room or area and can be set to turn on and off at multiple times per day or week for both convenience and security. This 8 watt BR30 EarthBulb LED bulb provides 650 lumens and replaces 65 watt incandescent bulb for over 80% energy savings. This lamp has a 25,000 hours rated life. E26 Medium screw base.

COMPATIBILITY

Simple connect the bulbs directly to your Wi-Fi at home. EarthTronics BR30 Smart LED is compatible with Hey Google and Amazon Alexa. Smart LED is powered by Tuya. Download Tuya on Google Play or the App Store.
